Hello, Virginia.

We have been advised by EPA headquarters that comments received by the agency regarding the Columbia Falls Aluminum Company Plant prior to the start of the 60-day public comment period must be resubmitted during that period to be part of the official docket for the rulemaking.

Attached is a copy of the Public Notice. Comments can be provided online at:

Please feel free to contact me if you would like more information or have additional questions.

Best regards,
Cynthia
